

GOLDGOURMET

The chefs' choice, combining the art of gilding with the art of baking.

Products for Professionals

GoldGourmet brings the rewards of gilding to all chefs, bakers and confectioners. The simple process of adding elegant 23 karat edible gold or genuine silver leaf to fine baked goods, holiday cakes and fine candies creates exquisite desserts and memorable dining experiences. The GoldGourmet line includes Flakes and Dust designed to easily garnish elegant drinks and tasteful treats.
