

## *The safest 24K Edible Gold and Edible Silver Garnishing for food and drink.*

Dress up even the simplest foods to give them a brand new charm and shine. Gold and Silver leaf garnish helps you express your unique style with amazing presentation. Entirely flavourless, gold and silver leaf can be combined with everything.

Make simple dishes look simply better. Your customers will experience a novel and luxurious treat, after which they will love nothing more than to brag about it, providing you with that "word of mouth" marketing you've been looking for. We help you leave a lasting impression on all of your customers.

We help you create unique and unforgettable memories. Edible gold and silver leaf provides a variety of health benefits passed down as ancient wisdom through generations, that is now becoming scientifically proven. We serve to provide you with a new dimension of novel luxury dining that is now accessible to everyone.

Our product line is manufactured entirely in the USA, and produced within a food-grade environment. We only use food-grade products through-out our manufacturing process itself. We strictly follow FDA guidelines, as well as our in-house rules and regulations. Our gold leaf contains only 100% pure 24K gold and our silver leaf contains 999.9% pure silver. We are the only such manufacturer in North America. Our product is EU approved, and we are FDA registered. We exist in a class of our own when it comes to lavish presentation, absolute quality, and competitive prices. We serve to provide you with a new dimension of novel luxury dining that is now accessible to everyone.
